For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending California Language School to determine if your credits or certificate will transfer.

(5, CCR §71810 (b)(13)(A)(B)(C))

ATTENDANCE AND ACADEMIC POLICIES

Attendance Policy

It is important that the school has a record of attendance for each student. It is the student’s responsibility to scan in and scan out using his/her ID card to ensure an accurate record of attendance. All students are required to attend 18 hours per week and maintain at least 80% cumulative attendance in all their courses from the start to the completion of their programs to be considered as "Satisfactory Attendance Progress" to prevent their training from being interrupted. Hours of attendance are part of the educational requirement and must be recorded. Excessive absences may result in attendance probation or termination.

CLS is authorized to enroll nonimmigrant students under Federal Law. Any student who fails to attend 80% cumulative of his/her class time will be warned, and if necessary, have his/her F-1 visa terminated. Failure to do so can cause the international student to be out of status. It is very important to understand the CLS Attendance Policy.

Tardiness

California Language School expects students to be on time for each class session. A student is considered tardy for class if he/she/they arrives within 10 minutes after the scheduled start of class and will begin earning attendance time when marked present. Any combination of three (3) documented tardies will be considered as one (1) absence. Three (3) documented tardies will be considered as one (1) absence.

Leaving Early

California Language School expects students to remain in class for the entire session. A student is considered leaving early from class if he/she leaves earlier than 10 minutes prior to the close of class. A student should tell the Instructor prior to leaving early from class. Any combination of three (3) documented early departures will be considered as one (1) absence.

Absences

A student absent for 10 consecutive class days without an approved leave of absence will be terminated as of the last day of attendance. If the student is in immigration status, SEVIS will be notified within 10 days of unapproved student absences.

The maximum amount allowed for absences from the ESL Short Intensive (72 hours), or 11-week level programs is 20% of program hours. Students who fall below 80% of their attendance are allowed only once in a program (either ESL short intensive or 11-week program) to do make-up. The maximum excused absences allowed are 14.4 hours within a 72 hour session, or ten (10) days (40 hours) within an 11-week session.

*For Covid-19 absences see below Medical leave.

Attendance Probation Policy

Any student failing to maintain 80% of the program hours within any 4 weeks period shall be given verbal and written notice and placed on a six-week attendance probation and notice to improve. The student will be allowed to make up hours and/or exams, and be removed from probation, as documented on the learning plan.

If a student fails to improve, students will be terminated on the first school day after the date of 6-week written notice to improve.

Leave of Absence Policy

If a Leave of Absence is required, a student must submit in writing to the School Manager, the basis of the request, expected return date, and the initial date of request with the student's signature. This request does not automatically reflect the approval. A Leave of Absence may be limited to a specified amount of days (*no longer than one-half the published program length*). Only one Leave of Absence will be granted for a student during any 12-month enrollment period. No leave of absence is permitted for the four-week program.

If the leave of absence is NOT approved, or the student does not return from an approved leave of absence, the student will be considered to have withdrawn from the school if not in attendance. Students with an F-1 visa will have the withdrawal entered into their SEVIS record reporting the withdrawal to the Student Exchange Visitor's Program (SEVP).

If the Leave of Absence is approved, the student may return prior to or at the end of the Leave of Absence and resume training without paying additional tuition. Students requesting Leave of Absences must understand that upon return, a revised course completion date will be established, which will delay their graduation date. Remember, a *Leave of Absence delays your graduation*.

At no time can the school back date a leave of absence. Therefore, it is important that the leave of absence is approved prior to any absent days. Time taken on a leave of absence does not count in the satisfactory academic and attendance formula.

No additional charges are assessed for applying or taking a leave of absence.

Medical Leave Policy

If a Medical Leave is required, a student must submit in writing to the School Manager the request, expected return date, and the initial date of request, if unforeseen circumstances prevent the request prior to the leave date. The request must have the student's signature and have supporting medical documentation attached to the request. This request does not automatically reflect the approval.

If the Medical Leave is NOT approved, or the student does not return from an approved leave, the student will be considered to have withdrawn from the school if not in attendance. Students with an F-1 visa will have the withdrawal entered into their SEVIS record reporting the withdrawal to the Student Exchange Visitor's Program (SEVP).

If the leave is approved, the student may return prior to or at the end of the leave and resume training without paying additional tuition. Students requesting a Medical Leave must understand that upon return, a revised course completion date will be established, which will delay their graduation date. Remember, a *Leave of Absence delays your graduation*.

Time taken on a Medical Leave does not count in the satisfactory academic and attendance formula.

Upon return from a Medical Leave California Language School will administer the Michigan EPT placement test for ESL classes that is used as a guide for English level placement. No additional charges are assessed for applying or taking a Medical Leave.

* Addendum: In accordance with the State of California, the County of Los Angeles, and the CDC, with proof of positive Covid-19 test (either PCR or rapid), a student is mandated to self-isolate for 5 days (or up to 10 days as needed). Therefore, said student is eligible to do an additional make-up within the same program (for a 5 day absence); and/or take a medical leave as needed for absences of more than 5 days.

Vacation Policy

If a vacation is requested, a student must submit in writing to the School Manager, the basis of the request, expected return date, and the initial date of request with the student's signature. This request does not automatically reflect the approval. A vacation request may only be requested to begin at the completion of a program.

A vacation request can be submitted after the completion of at a minimum of six months of enrollment and cannot exceed a request of more than four weeks.

If the vacation request is NOT approved, or the student does not return from vacation, the student will be considered to have withdrawn from the school if not in attendance. Students with an F-1 visa will have the withdrawal entered into their SEVIS record reporting the withdrawal to the Student Exchange Visitor's Program (SEVP).

If the vacation is approved, the student may return prior to or at the end of the vacation and resume training without paying additional tuition.

At no time can the school back date a vacation request. Therefore, it is important that the vacation is approved prior to the requested start date. Time taken on a vacation does not count in the satisfactory academic and attendance formula.

Upon return from a vacation California Language School will administer the Michigan EPT placement test for ESL classes that is used as a guide for English level placement.

No additional charges are assessed for applying or taking a vacation.

Academic Progress

Satisfactory Progress is defined as each student maintaining a cumulative grade point average of 70% = C or better. For determining satisfactory progress and facilitating discussion of the student's training progress, a progress report is administered to the student monthly, for all programs more than four weeks in length.

Grading Format

A = Excellent.....	90% - 100%
B = Good.....	80% - 89%
C = Satisfactory.....	70% - 79%
D = Poor.....	60% - 69%
F = Failing.....	Below 60%
I = Incomplete	
P/F = Pass/Fail.....	Credit/No Credit Assigned

Each student is expected to maintain attendance and progress that allows completion of the program within 11 weeks/198 hours for ESL programs, 11 weeks/198 hours for TOEFL programs and 72 hours for the ESL Short Intensive course, at a cumulative minimum attendance of 80%.

Graduation Requirement

Students must have a cumulative grade point average of 70% or "C" grade, 80% cumulative attendance, and satisfied all financial requirements to CLS in order to be considered for completion and receive a Certificate.

The Certificate will be available to graduates no later than 30 days from the last day of attendance unless the School Manager receives a written request to provide it earlier.

Class Transfer

If a student wishes to transfer to another higher course level during the course of an enrollment, the student must first discuss with their current instructor, and if permitted, take the Michigan EPT (level placement test). If the score is appropriate for a higher level, a student may then discuss with that level instructor the request to level-up.

As a result of approval the student will meet with a member of administration to complete an enrollment agreement for the new level, hours taken to date during the current term will be transferred in and the previous enrollment agreement will be processed as a withdrawal, in keeping with the Bureau for Private Postsecondary Education requirements when a program enrolled in is not completed.

Academic Probation

A student achieving a grade point average below 70% or a “C” at the time of evaluation will be advised verbally and in writing of his/her unsatisfactory academic progress and placed on academic probation with a documented learning plan. The documented learning plan will include a written 6 week notice to improve. Such students shall remain in the program and continue with this learning plan until such time as his/her grade point average reaches a minimum of 70% or “C”. A student’s status remains active while on probation.

If a student's grades fail to improve, the student will be terminated on the first school day after the date of 6- week written notice to improve.

If the student withdraws or is withdrawn from the program, the student’s withdrawal will be reported to the SEVIS, if applicable. A student who does not pass the ESL Short Intensive course may request to be re-enrolled and will be placed on probation for the ESL Short Intensive course; the ESL Short Intensive course can only be repeated once while on probation

Proficiency Levels

If a student does not achieve a 70% or a “C” at the end of a program he/she may repeat the current program level with a documented learning plan.

Language Training Length

A student may obtain training from California Language School for a maximum of 36 months.

Appeal

If a student does not agree with a progress report or probation status he/she may appeal the statements/decision. He/she must submit a written appeal to the School Director within one week of the

progress report meeting with documentation to support the appeal, where appropriate. The Director will make a decision within seven days and notify the student of her decision in writing.

- ESL Beginning 1a
- ESL Beginning 1b
- ESL Beginning 2a
- ESL Beginning 2b
- ESL Intermediate 1a
- ESL Intermediate 1b
- ESL Intermediate 2a

For students in the advanced level, CLS also offers four specialized TOEFL Prep programs of 11 weeks each:

- TOEFL I
- TOEFL II
- TOEFL III
- TOEFL IV

To ensure and reinforce proper learning, all students at CLS are administered quizzes and exams.

GENERAL ESL PROGRAM OBJECTIVES

The curriculum emphasizes all four language skills: listening, speaking, writing, and reading. Students learn how to communicate in English, which in turn will help them understand the many facets of American culture. Additionally, this program provides students the requisite language skills that will allow them to function in advanced academic pursuits and cultural exploration.

STUDENT-CENTERED LANGUAGE PROGRAM

California Language School offers a unique course schedule which can be adjusted to the different rates of language acquisition among international students studying English. For instance, students coming from Europe or South America typically acquire English at a quicker pace than students from China, Korea and Japan. That is, students whose mother tongue is from the Indo-European language family such as Spanish, French or Persian, may find it easier to comprehend English vocabulary and grammatical structures than students whose mother tongue is from the Ur-Altai or Mongolian language family.

For this reason students can pace themselves accordingly. One student can advance from one level to another after three months (such as from ESL Beginning 1a to ESL Beginning 1b); another student can advance in six months (such as from ESL Beginning 1a to ESL Beginning 1b, and then to ESL Intermediate 1a, and so). In this way students who excel in their English language acquisition can complete their program in 9 months; students who need more time can complete it in 9-36 months. No student will be allowed to receive instruction past the third year.

REFUND POLICY

STUDENT'S RIGHT TO CANCEL

1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance.
2. Cancellation may occur when the student provides a written notice of cancellation at the following address: California Language School, 639 S. New Hampshire Avenue, #301, Los Angeles, CA 90005. This can be done by mail or by hand delivery.
3. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
4. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
5. If the program is canceled the school will refund the student any money he/she paid.
6. If the applicant is rejected for enrollment or a now show the school will refund the student any money he/she paid, less application and registration fees not to exceed \$250.00 within forty-five (45) days of cancellation or the first day of class, whichever is earlier.

WITHDRAWAL FROM THE PROGRAM

You may withdraw from the school at any time after the cancellation period (described above) and receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance. The refund will be less application and registration fees not to exceed \$250.00. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution of the student's withdrawal or as of the date of the student's withdrawal, whichever is later.
- The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the School.
- The student has failed to attend class for 10 consecutive days.
- The student fails to return from a leave of absence, medical leave or vacation.

For an enrolled student, the refund due will be calculated using the last date of attendance (LDA) and be paid within forty-five (45) calendar days from the documented date of determination (DOD). The date of determination is: (a) the date the student gives notice of withdrawal to the institution; (b) the date the institution administratively withdraws the student, or (c) the date the institution terminates the student due to the student's failure to adhere to the institution's attendance, conduct, or student progress policy. If a student provides advanced notice of withdrawal such that the 45-day window ends before the last date of attendance, the refund must be paid within forty-five (45) calendar days from the last date of attendance (LDA). The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

CLS will conduct a second refund calculation following the below policy and provide any refund due that is most favorable for the student:

- First Period of Financial Obligation: For students whose last day of attendance occurs at any point in the first four weeks of their initial period of financial obligation, the institution may retain the charges applicable to the first four weeks. For students whose last date of attendance occurs after the first four weeks but before or at the mid-point of their period of financial obligation, the institution may retain a prorated amount of tuition. For students whose last date of attendance occurs after the midpoint, the institution may retain all of the charges for that period. Any tuition paid for the balance of the program must be refunded in full.
- Subsequent Periods of Financial Obligation or Enrollment periods: For students who have completed the first period of financial obligation or extended their enrollment at the institution but whose last date of attendance occurs before or at the midpoint of any subsequent period of financial obligation, the institution may retain a prorated amount of tuition for that period. For students whose last date of attendance occurs after the midpoint of any subsequent period of financial obligation, the institution may retain all of the tuition for that period. Any tuition paid for the balance of the program must be refunded in full.

If any portion of the tuition was paid from the proceeds of a loan or third party (Agents that have paid some or all of tuition and fees on the students' behalf), the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student.

STUDENT TUITION RECOVERY FUND

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, CA 95834, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the student of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

GRIEVANCE PROCEDURE

Occasionally, a situation will arise in which a student has a difference of opinion with instructors, staff or administration in interpreting a rule or regulation or has an opinion he/she might want to voice.

For these situations, in fairness to the student, a grievance procedure is provided to address the situation, correct the situation or look at changing the situation. The procedure for addressing grievances is as follows:

Contact the Instructor to resolve the issue.

If there is no resolution, contact the School Director in writing within two (2) days of the incident. The School Director will address the situation with the Instructor and/or other parties involved to gain a clear understanding of the total situation.

The School Director will contact the student to verify the details.
